## INTRODUCTION

The Ethics in Government Act of 1987 was enacted in order to promote public confidence in government, to prevent the use of public office to further private gain, and to preserve the integrity of governmental institutions. The Act accomplishes those goals by prohibiting certain activities, requiring the filing of annual statements of financial disclosure by certain State employees, and providing for public inspection of those statements.

Since 1990, the Ethics Commission for the Unified Court System ("Commission") has been responsible for administering the distribution, collection, review and maintenance of annual financial disclosure statements within the judicial branch of State government.

Every year, the Commission reviews its operations to ascertain what changes can be made to make financial disclosure even more efficient, accurate, user friendly, cost effective and green than the year before. In 2010, for the first time, financial disclosure forms were not mailed to all employees required to file. A letter was sent to each employee, notifying him or her of the requirement to file, and advising him or her how to file electronically, and how to obtain paper forms through the Commission's website. Prior to 2010, the Commission released to the news media the names of the employees to whom Notices of Delinquency had been issued. In 2010, the Commission ended that practice and, instead, posted the names and titles of all delinquent filers on its website. Electronic filing was first made available to all employees required to file in 2008. The response has been overwhelmingly positive and in 2010, approximately 42 percent of those required to file did so electronically.

For reporting year 2009, the Commission developed new information and tracking systems to accommodate significant changes made in the determination of who must file a statement for a particular calendar (reporting) year, and when the statement should be filed. Effective January 1, 2010, any person who meets the filing requirements and is employed by the Unified Court System in a filing year, must file an annual statement of financial disclosure for the preceding calendar (reporting) year. Depending on the date of employment, the statement must be filed on or before May 15th of the filing year, or within thirty days after commencement of employment.

The Commission has now completed its twentieth full year of operation. Working in cooperation with the State Commission on Judicial Conduct and the Office of Court Administration, the Ethics Commission has successfully established a level of compliance within the judicial branch which accomplishes and promotes the purposes and goals of the Ethics in Government Act. The ability to file a financial disclosure statement electronically has led to improved compliance and accuracy. The transparency provided by financial disclosure, and public access to it, continues to be an important part of a broader effort by the Chief Judge to maintain public confidence in the integrity of the New York State judicial system.

## THE COMMISSION

Pursuant to the Ethics in Government Act, as codified in Section 211(4) of the Judiciary Law, the Chief Judge approved an annual statement of financial disclosure for use in the Unified Court System and caused the Chief Administrator of the Courts to promulgate rules or regulations regarding the filing of such statements.

The Chief Administrator promulgated the Chief Judge's Rule, 22 NYCRR Part 40, establishing the Ethics Commission for the Unified Court System ("Commission"), and delineating its powers and duties. See Appendix A.

Pursuant to the Chief Judge's Rule, the Commission promulgated regulations governing its procedures, 22 NYCRR Part 7400. See Appendix C.

All Commission rules, procedures and forms are available on the Ethics Commission website which is located through the Intranet on the Unified Court System home page under "Topics A to Z", or through the Internet at [www.nycourts.gov/ip/ethics](http://www.nycourts.gov/ip/ethics).

Under the Chief Judge's Rule, the Ethics Commission for the Unified Court System is comprised of five members appointed by the Chief Judge. Two members must be State Judges or Justices, and at least two shall not be public officers or employees. The chair is designated by the Chief Judge. The Commissioners serve without compensation, and since February 2000, terms are limited to five years.

In 2010, the members of the Commission were:

**Hon. Fred T. Santucci**, Chair, Associate Justice, Appellate Division, Second Department. Judge Santucci was appointed to the Commission as Chair in January, 2008, and was re-appointed in November, 2008;

**Hon. Victoria A Graffeo**, Associate Judge of the Court of Appeals. Judge Graffeo was appointed to the Commission in November, 2001, and was re-appointed in November, 2006;

**Vincent J. Syracuse, Esq.**, an attorney in private practice in New York City. Mr. Syracuse was appointed to the Commission in March 2010 to complete an unexpired term;

**Roberto Velez**, Vice President and Counsel, BASICS/Promesa Systems, Inc. Mr. Velez was appointed to the Commission in November, 2005 to complete an unexpired term, and was re-appointed in November, 2007;

**Steven Wechsler, Esq.**, Professor, Syracuse University College of Law. Professor Wechsler was appointed to the Commission in November, 2009.

Through November, 2010 there were three Commission staff members, Janice Howard, Executive Director; Sharon Kennedy, Associate Counsel; and Milagros Davila Butler, Administrative Secretary.

## FINANCIAL DISCLOSURE

In 1990, the Chief Judge approved an annual statement of financial disclosure for use in the Unified Court System ("UCS") that is substantially similar to the statement set forth in Public Officer's Law §73-a. In 1991, the Commission began collecting financial disclosure statements pertaining to calendar (reporting) year 1990.

Pursuant to the Chief Judge's Rule, the following employees of the UCS are required to file financial disclosure statements with the Commission:

(a) all state-paid judges or justices regardless of their annual rate of compensation, and  
(b) all officers or employees of the Unified Court System who (1) receive annual compensation at a rate in excess of the amount mandated by Section 130(1)(a) of the Civil Service Law, and are not otherwise exempted from filing, or (2) are designated as policymakers for the purposes of financial disclosure. The filing threshold for reporting year 2009 was \$88,256.00.

Pursuant to Section 100.5(A)(4)(g) of the Chief Administrator's Rules, candidates for judicial office, who are not employees of the Unified Court System required to file pursuant to 22 NYCRR Part 40, must file financial disclosure statements with the Ethics Commission within twenty days of becoming candidates. See Appendix B.

Prior to January 1, 2010, an employee who was in his or her position as of December 31st in a calendar year, and met the filing requirements at that time, was required to file a statement for that calendar (reporting) year in the next (filing) year. Prior to January 1, 2010, the only filing date was May 15th in the filing year. At the end of 2009, the Chief Judge's Rule was amended, effective January 1, 2010, mandating that any employee who meets the filing requirements and is employed, or commences employment, in a filing year, must file a statement for the preceding calendar year.

Individuals who were required to file and were employed by the Unified Court System from January 1, 2010 through April 15, 2010, were required to file their statements on or before May 15, 2010. Individuals who were required to file and who commenced employment after April 15, 2010, were required to file within thirty days of commencing employment. An employee or judicial candidate required to file may request an extension of time to file due to justifiable cause or undue hardship.

An employee may file a financial disclosure statement in one of three ways: online, by completing an "Omniform" on the Commission's website which is then printed out and mailed to the Commission, or by completing a paper form that is mailed to the Commission. Paper forms can be obtained from the Commission website, or the Commission office. Judicial candidates do not have access to online filing or "Omniforms".

In February of each year, the Chief Administrator of the Courts must file with the Commission a list of the employees who hold "policymaking" positions as determined by:

- (1) the Chief Judge of the Court of Appeals, as to personnel of that court;
  - (2) the Presiding Justice of each Appellate Division, as to personnel of that court;
- and
- (3) the Chief Administrator of the Courts, as to all other State-paid personnel of the Unified Court System.

See Appendix D for a list of the job titles held by such employees.

**Individual and Job Title Filing Exemption Requests**

22NYCRR§40.1(i)(8)  
22 NYCRR§7400.1

An employee required to file a financial disclosure statement, who has not been determined to be a policymaker, may request an exemption from filing on the grounds that the public interest does not require disclosure and that the employee's duties do not involve certain activities enumerated in the Chief Judge's Rule. Employee organizations may request filing exemptions on behalf of all employees who share the same job title. See Appendix C, Commission Procedures, for the factors weighed by the Commission in deciding such requests.

For reporting year 2009, the Commission received two individual filing exemption requests from employees; both were denied. No requests were received for a filing exemption for all employees in a particular job title. Such an exemption, once granted, stays in effect until such time as the Commission determines the exemption is no longer appropriate. All employees in the job titles which appear in Appendix E, who are not designated as policymakers, are exempt from the requirement to file financial disclosure statements based on previously granted job title filing exemption requests.

The Commission is not authorized to accept filing exemption requests from judicial candidates filing pursuant to 22 NYCRR Part 100.

**Number of Employees Required to File** (See Chart I)

22NYCRR§40.2

A total of 5,495 employees of the Unified Court System were required to file financial disclosure statements for reporting year 2009:

1,242	judges
4,253	employees who were required to file by virtue of their rate of annual compensation or by virtue of the fact that they had been designated as policymakers

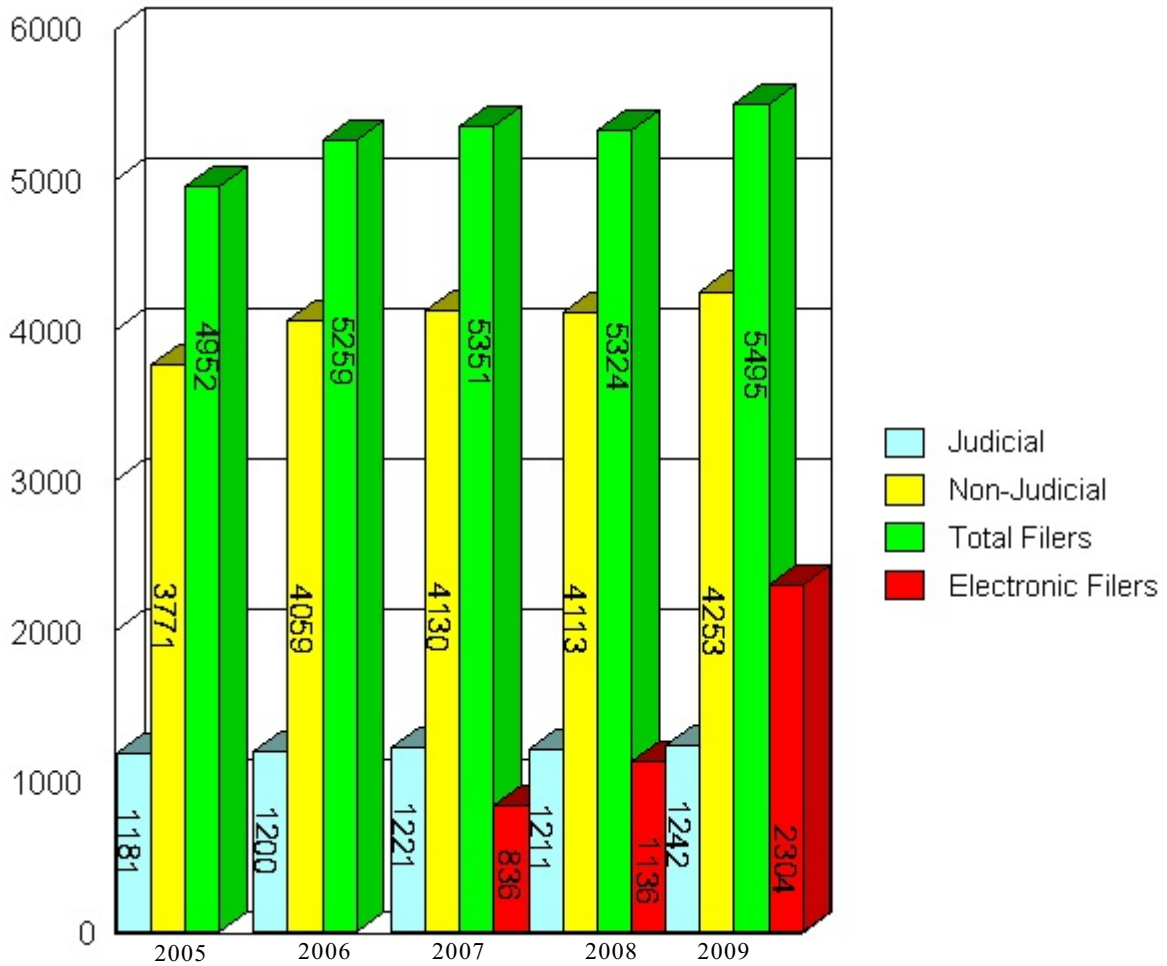

A total of 2,304 employees filed online.

**Judicial Candidates**

22NYCRR§100.5(A)4(g)  
22NYCRR§7400.7

A total of 51 judicial candidates, not employed by the Unified Court System, filed financial disclosure statements for reporting year 2009.

An employee required to file a financial disclosure statement may request an exemption from reporting one or more items of information that pertain to his or her spouse or unemancipated children on the grounds that the information will have no material bearing on the discharge of the employee's official duties. See Appendix C, Commission Procedures, for the factors weighed by the Commission in deciding such requests.

Exemption requests pertaining to spouses or unemancipated children were filed by a total of 6 employees for reporting year 2009:

All of the requests were granted

The Commission is not authorized to accept "family" exemption requests from judicial candidates filing pursuant to 22 NYCRR Part 100.

**Deletion Requests** (see Chart III for employee deletion requests)

22NYCRR§7400.4

An employee required to file a financial disclosure statement may request the deletion of one or more items of information from the copy of his or her financial disclosure statement made available for public inspection on the grounds that the information will have no material bearing on the discharge of the employee's official duties. See Appendix C, Commission Procedures, for the factors weighed by the Commission in deciding such requests.

Deletion requests were filed by a total of 37 employees for reporting year 2009:

12 requests were granted in full
21 requests were granted in part and denied in part
4 requests were denied in full

Two deletion requests were filed by judicial candidates filing pursuant to 22 NYCRR Part 100. Both requests were granted.

**Returns** (see Chart IV for the total percentage of returns over the last five years)  
 22NYCRR§40.1(i)(5)

The staff of the Commission reviews every financial disclosure statement filed to verify that all questions have been answered fully, consistently and clearly. Any statement found to be apparently incomplete or unclear is returned to the employee for appropriate revision. If an electronically filed statement must be returned, it is converted to a paper form, and removed from the electronic filing system. 5,495 statements were filed for reporting year 2009; of these, 897 were returned. Of those returned statements, 250 had originally been filed electronically, but were converted to paper filings in order to be returned and revised. It is notable that of the 3,188 paper statements filed, 647 or approximately 20%, had to be returned, while of the 2,304 electronic statements filed, only 250, or approximately 11%, were returned. A significant number of paper statements are returned because the filers did not respond to one or more questions. Electronic statements can not be filed unless every question is answered.

**PUBLIC INSPECTION**  
22NYCRR§40.1(p)(1)/22NYCRR§7400.5

The information contained in a financial disclosure statement is available for public inspection, except for categories of value or amounts, the names of unemancipated children, and any information deleted by the Commission pursuant to 40 NYCRR Part 40. Only statements for the current reporting year, and the six prior reporting years, are available for public inspection. All other statements are shredded. Notices of Delinquency are also available for public inspection. Any person may purchase an inspection copy of a statement, through the mail or from the Commission offices, upon payment of a fee. The current fee is \$.25 per page, plus one dollar per statement for mailing. An inspection copy of a statement may be viewed at the Commission offices without charge. The substance of the requests themselves, and any documents pertaining to the requests, are not available for public inspection. In 2010, 72 requests were made, by 20 persons, for inspection of statements filed for one or more years by 58 employees. A total of 326 statements filed by employees were prepared for public inspection. In addition, there were 2 requests by 2 requestors for public inspection of statements filed by 2 judicial candidates.

**Notices to Cure**

(see Chart VI)

An employee required to file a financial disclosure statement who has failed to file, or to re-file a statement returned for revision, must be notified in writing and given a 15 day period to cure the failure to file or re-file. This notice must advise the employee of the penalties for failure to comply with reporting requirements.

Notices to Cure were issued to 431 employees for reporting year 2009 for failure to timely file, or re-file:

39 were sent to judges
------------------------

392 were sent to nonjudicial employees
--

All but 78 employees responded to the initial Notices to Cure by filing, or re-filing their financial disclosure statement.

**Notices of Delinquency**

(see Chart VI)

The Commission must send a Notice of Delinquency to an employee who fails to file a financial disclosure statement, or to re-file a statement returned to cure a deficiency, within the period set forth in the Notice to Cure. A copy of the Notice of Delinquency must be sent to the State Commission on Judicial Conduct in the case of a judge, or to the Chief Administrator of the Courts in the case of all other employees.

An employee who knowingly and willfully fails to file a financial disclosure statement, or who knowingly and willfully with intent to deceive makes a false statement or reports information which he or she knows to be false, shall be subject to disciplinary action as otherwise permitted by law, rule or collective bargaining agreement.

Notices of Delinquency were issued to 78 employees for reporting year 2009:

3 were sent to judges

75 were sent to nonjudicial employees

Once a Notice of Delinquency has been issued, responsibility for taking disciplinary action lies with the Commission on Judicial Conduct (CJC) in the case of a judge, and the Chief Administrator of the Courts, hereinafter referred to as the Office of Court Administration (OCA), in the case of a non-judicial employee.

### **OCA Action**

Seventy-five Notices of Delinquency were sent to non-judicial employees for failure to timely file, or re-file, their statements.

Forty employees promptly filed, or re-filed, in response to the Notices. OCA took no action against them.

Thirty-five employees did not file, or re-file, upon receipt of the Notices. Counseling letters from the Chief of Operations were sent to all of them. These letters threatened disciplinary action if the employees did not file immediately. Thirty three of the employees filed, or re-filed, in response to these letters.

Of the remaining two employees: one filed after the District Executive advised the employee's judge of her delinquency; and one was served with a Notice of Charges of Misconduct.

The filer served with a Notice of Charges of Misconduct filed in response to the Notice. He agreed to a reprimand, but retired before a stipulation was signed.

### **Commission on Judicial Conduct Action**

#### **Reporting Year 2009**

Notices of Delinquency were sent to three judges; all of them subsequently filed, or re-filed.

The Commission on Judicial Conduct, (hereinafter referred to as CJC), deems the receipt of a copy of a Notice to be the filing of a complaint against the judge, pursuant to its own rules and regulations.

We are still awaiting final action by CJC regarding one judge. One complaint was dismissed due to "insufficient indication of judicial misconduct to warrant further inquiry". After "review" of another complaint, CJC "concluded that no further action is necessary."

#### **Reporting Year 2008**

When the last Annual Report was published, we were awaiting CJC final action with regard to one judge. In 2010, we were advised that after "review" of the complaint, CJC "concluded that no further action is necessary".

The names of delinquent filers are posted on the Commission website (See Appendix F). An analysis by job title of the employees who were delinquent in filing their 2009 statements reveals that the largest single group of late filers was Court Reporters, as has been true every year. See Chart VII.

## APPENDIX A

### THE CHIEF JUDGE'S RULE, 22 NYCRR PART 40 FINANCIAL DISCLOSURE

Statutory authority: Judiciary Law, §211(4)

Sec.40.1 Ethics Commission

Sec. 40.2 Financial Disclosure

#### **Section 40.1 Ethics Commission.**

(a) There shall be an Ethics Commission for the Unified Court System which shall consist of five members and shall have and exercise the powers and duties set forth herein with respect to all State-paid judges, justices and nonjudicial officers and employees of the courts and court-related agencies of the Unified Court System.

(b) The members of the commission shall be appointed by the Chief Judge of the State of New York, upon consultation with the Administrative Board of the Courts. Two members shall be State-paid judges or justices of a court or courts of the Unified Court System, and at least two shall not be public officers or employees.

(c) The term of members of the commission shall be five years. Members shall be appointed for no more than one five-year term.

(d) The Chief Judge shall designate the chairperson of the commission from among the members thereof, who shall serve as chairperson at the pleasure of the Chief Judge. The chairperson or any three members of the commission may call a meeting.

(e) Any vacancy occurring on the commission shall be filled within 60 days of its occurrence by the Chief Judge. A person appointed to fill a vacancy occurring other than by expiration of a term of office shall be appointed for the unexpired term of the member he or she succeeds. Where a member of the commission who is a judge or justice leaves judicial office, a vacancy on the commission shall thereby be deemed to have occurred.

(f) Three members of the commission shall constitute a quorum, and the commission shall have power to act by majority vote of the total number of members of the commission without vacancy.

(g) Members of the commission may be removed by the Chief Judge for substantial neglect of duty, gross misconduct in office, inability to discharge the powers or duties of office or violation of this rule, after written notice and opportunity for a reply.

(h) The members of the commission shall not receive compensation but shall be reimbursed for reasonable expenses incurred in the performance of their official duties.

(i) The commission shall:

(1) appoint an executive director who shall act in accordance with the policies of the commission and the provisions of this rule. The commission may delegate authority to the executive director to act in the name of the commission between meetings of the commission provided such delegation is in writing and the specific powers to be delegated are enumerated;

(2) appoint such other staff, within appropriations made available therefor by the Chief Administrator of the Courts, as are necessary to carry out its duties under this rule;

(3) adopt, amend and rescind rules and regulations to govern procedures of the commission, which shall be consistent with the provisions of this rule and which shall include, but not be limited to, a procedure for such adjudicatory proceedings as are authorized by this rule and the procedure whereby a person who is required to file an annual financial disclosure statement with the commission may request an additional period of time within which to file such statement, due to justifiable cause or undue hardship; such rules or regulations shall provide for a date beyond which in all cases of justifiable cause or undue hardship no further extension of time will be granted;

(4) make available forms for annual statements of financial disclosure required to be filed pursuant to law;

(5) review financial disclosure statements in accordance with the provisions of this rule; provided, however, that the commission may delegate all or part of this review function to the executive director, who shall be responsible for completing staff review of such statements in a manner consistent with the terms of the commission's delegation;

(6) permit any person required to file a financial disclosure statement to request the commission to delete from the copy thereof made available for public inspection one or more items of information, which may be deleted by the commission upon a finding by a majority of the total number of its members without vacancy that the information which would otherwise be required to be made available for public inspection will have no material bearing on the discharge of the reporting person's official duties;

(7) permit any person required to file a financial disclosure statement to request an exemption from any requirement to report one or more items of information which pertain to such person's spouse or unemancipated children, which item or items may be exempted by the commission upon a finding by a majority of the total number of its members without vacancy that the reporting individual's spouse, on his or her own behalf or on behalf of an unemancipated child or the reporting person on behalf of an unemancipated child, objects to providing the information necessary to make such disclosure and that the information which would otherwise be required to be reported will have no material bearing on the discharge of the reporting person's official duties;

(8) permit any person who is required to file a financial disclosure statement, but who has not been determined pursuant to section 40.2(b) of this Part to hold a policymaking position, to request an exemption from such requirement in accordance with rules and regulations governing such exemptions. Such rules and regulations shall provide for exemptions to be granted either on the application of an individual or on behalf of persons who share the same job title or employment classification which the commission deems to be comparable for purposes of this section. Such rules and regulations may permit the granting of an exemption where, in the discretion of the commission, the public interest does not require disclosure and the applicant's duties do not involve the negotiation, authorization or approval of:

(i) contracts, leases, franchises, revocable consents, concessions, variances, special permits, or licenses as defined in section 73 of the Public Officers Law;

(ii) the purchase, sale, rental or lease of real property, goods or services, or a contract therefor;

(iii) the obtaining of grants of money or loans; or

(iv) the adoption or repeal of any rule or regulation having the force and effect of law;

(9) exemptions granted hereunder shall be for such duration as the commission shall determine;

(10) prepare an annual report to the Chief Judge and the Administrative Board of the Courts summarizing the activities of the commission; and

(11) in such cases as it shall deem appropriate, the commission may determine a question common to a class or defined category of persons or items of information required to be disclosed, where determination of the question will prevent undue repetition of requests for exemption or deletion or prevent undue complication in complying with the requirements of this rule.

(j) The commission, or the executive director and staff of the commission, if responsibility therefor has been delegated, shall inspect all financial disclosure statements filed with the commission to ascertain whether any person required to file a financial disclosure statement has failed to file such a statement or has filed a deficient statement.

(k) If a person required to file a financial disclosure statement with the commission has failed to file a disclosure statement or has filed a deficient statement, the commission shall notify the reporting person in writing, state the failure to file or detail the deficiency, provide the person with a 15-day period to cure the deficiency, and advise the person of the penalties for failure to comply with the reporting requirements. Such notice shall be confidential. If the person fails to make such filing or fails to cure the deficiency within the specified time period, the commission shall send a notice of delinquency:

(1) to the reporting person;

(2) in the case of a judge or justice of the Unified Court System, to the State Commission on Judicial Conduct; and

(3) in the case of a nonjudicial officer or employee, to the Chief Administrator of the Courts.

(l) A reporting individual who knowingly and willfully fails to file an annual statement of financial disclosure or who knowingly and willfully with intent to deceive makes a false statement or gives information which such individual knows to be false on such statement of financial disclosure filed pursuant to this section shall be subject to disciplinary action as otherwise permitted by law, rule or collective bargaining agreement. No disciplinary action for false filing may be imposed hereunder in the event a category of "value" or "amount" reported hereunder is incorrect unless such reported information is falsely understated.

(m) A copy of any notice of delinquency sent pursuant to subdivision (k) of this section shall be included in the reporting person's file and be available for public inspection.

(n) Upon written request from any person who is or may be subject to the requirement of filing a financial disclosure statement, the commission shall render advisory opinions concerning such requirement. Such requests shall be confidential, but the commission may publish such opinions provided that the name of the requesting person and other identifying details shall not be included in the publication.

(o) In addition to the other powers and duties specified herein, the commission shall have the power and duty to:

(1) administer and enforce all the provisions of this section;

(2) conduct any investigation necessary to carry out the provisions of this section. (3) A person who is subject to the reporting requirements of this section and who timely filed with the Internal Revenue Service an application for automatic extension of time in which to file his or her individual income tax return for the immediately preceding calendar or fiscal year shall be required to file such financial disclosure statement on or before May 15th but may, without prejudice on account of a deficient statement, indicate with respect to any item of the disclosure statement that information with respect thereto is lacking but will be supplied in a supplementary statement of financial disclosure, which shall be filed on or before the seventh day after the expiration of the period of such automatic extension of time within which to file such individual income tax return, provided that failure to file or to timely file such supplementary statement of financial disclosure or the filing of an incomplete or deficient supplementary statement of financial disclosure shall be subject to the provisions of section 40.1 (k) of this Part as if such supplementary statement were an annual statement; and

(4) A person who is required to file an annual financial disclosure statement with the Ethics Commission of the Unified Court System, and who is granted an additional period of time within which to file such statement due to justifiable cause or undue hardship, in accordance with required rules and regulations on the subject adopted pursuant to section 40.1(i) (3) of this Part, shall file such statement within the additional period of time granted.

## APPENDIX C

### COMMISSION PROCEDURES, 22 NYCRR PART 7400

#### SECTION 7400.1 REQUESTING EXEMPTIONS FROM FILING FINANCIAL DISCLOSURE STATEMENTS

##### **7400.1(a) Definitions**

(1) "Annual compensation" shall mean the basic annual salary which an individual receives to perform the duties of the position in which he or she serves. Annual salary shall not include location pay, payment of overtime, retroactive salary benefits, uniform or clothing allowance, reimbursements, or any one time payment, bonus or award.

(2) "Commission" shall mean the Ethics Commission for the Unified Court System.

(3) "Employee" shall mean a state-paid judge, justice, officer or employee of the Unified Court System.

(4) "Employee organization" shall mean an employee organization that is recognized or certified pursuant to section 204 of the Civil Service Law to represent public employees of a public employer.

(5) "File" shall mean to make delivery to the offices of the Commission personally, electronically or by mail. The filing date shall be the date the document filed is received in the offices of the Commission.

(6) "Financial disclosure statement" shall mean the annual statement approved by the Chief Judge pursuant to subdivision 4 of section 211 of the Judiciary Law.

(7) "Job title" shall mean the title of the position to which an employee has been elected or appointed.

(8) "Rule" shall mean Part 40 of the Rules of the Chief Judge of the State of New York (22 NYCRR).

##### **7400.1(b) Scope**

Pursuant to section 40.1(i)(8) of the Rule, the Commission shall permit an employee who is not a policy maker pursuant to section 40.2 of the Rule, and who is required to file a financial disclosure statement, to request an exemption from filing. This request will be granted if, in the discretion of the Commission, the public interest does not require disclosure and the employee's duties do not involve any of the duties set forth in section 40.1(i)(8) of the Rule.

### **7400.1(c) Procedure**

(1) An employee individually, or an employee organization on behalf of persons who share the same job title, may request an exemption from filing a financial disclosure statement by filing a written request with the Commission on or before:

i) March 1<sup>st</sup> of the year in which the exemption is requested if he or she is employed by the Unified Court System on January 1<sup>st</sup>, or commences employment from January 2<sup>nd</sup> through April 15<sup>th</sup>, of that year;

or

ii) Fifteen days from the date that the employee commences employment (which includes a change to a new job title that requires him or her to file) if he or she commences employment with the Unified Court System from April 16<sup>th</sup> through December 31<sup>st</sup> of the year in which the exemption is requested.

(2) The request for the exemption shall include:

(i) the name, work address, home address, work telephone number and job title of the employee if the request is on an individual basis, or the name of the employee organization, and name, address and telephone number of its authorized representative filing on behalf of persons who share the same job title;

(ii) the job title for which an exemption is requested where the request is by an employee organization;

(iii) a copy of the title specifications of the job title for which an exemption is requested;

(iv) a statement in support of the claim of the filing employee or employee organization that the public interest does not require disclosure and that the job title for which the exemption is requested does not involve any of the duties set forth in section 40.1(i)(8) of the Rule, giving specific reasons and justifications therefor. Documentation supporting this statement may be annexed to the request.

(3) The request for an exemption must be signed by the employee, if requesting an individual exemption, or by the authorized representative of the employee organization requesting an exemption on behalf of persons who share the same job title.

### **7400.1(d) Commission Action**

(1) Upon receipt of a request for an exemption from filing a financial disclosure statement, the Commission shall review the material filed to determine whether the public interest requires disclosure and whether the duties of the job title include any of the duties set forth in section 40.1(i)(8) of the Rule.

(2) If the Commission determines that additional information would be useful, it may obtain such information from the Office of Court Administration, from the individual employee requesting an exemption, from the employee organization requesting an

exemption on behalf of persons who share the same job title, or from any source deemed appropriate by the Commission. The Commission, in its discretion, may request a meeting with the individual employee or the representative of an employee organization to discuss the exemption request.

(3) If the Commission requests additional information from an individual employee or an employee organization, such additional information must be filed with the Commission within the time limit set forth in the Commission's written request. If the Commission does not receive such information within the said time limit, it may render a decision on the information available.

(4) Unless the Commission decides that the public interest does not require disclosure and that a job title does not involve the duties set forth in section 40.1(i)(8) of the Rule, the Commission shall deny the request for an exemption from filing a financial disclosure statement.

In applying the public interest standard, the Commission considers the duties the employee may be called upon to perform. The Commission weighs the strong public interest in disclosure against the employee's privacy rights. In this weighing process, the Commission considers the employee's role in the judicial, administrative or managerial process of the Unified Court System. The Commission also considers the potential for conflict of interest and use of public office for personal gain in the performance of the employee's actual or potential job duties.

Judiciary Law §211(4) and 22 NYCRR Part 40 establish a strong public policy favoring disclosure. Thus employees otherwise required to file, who have requested an exemption from filing, must demonstrate that an individual exception to this policy is warranted.

(5) The Commission shall give written notification of its decision to the employee and/or the employee organization, as appropriate, and to the Chief Administrator of the Courts.

(6) Once an exemption has been granted for a job title, an employee, as long as he or she holds that job title, will not be required to file a financial disclosure statement in any subsequent year for which one would otherwise be required unless:

(i) the duties of the job title change; or

(ii) it is determined that the employee holds a policymaking position by: the Chief Judge of the Court of Appeals, as to personnel of that Court; the Presiding Justice of each Appellate Division, as to personnel of that Court; or the Chief Administrator of the Courts, as to all other state-paid personnel of the Unified Court System; or

(iii) the Commission, upon review of its decision to grant such exemption, determines the exemption is no longer appropriate.

## SECTION 7400.2

### REQUESTING AN EXTENSION OF TIME TO FILE A FINANCIAL DISCLOSURE STATEMENT, AND AUTOMATIC EXTENSIONS OF TIME TO FILE SUPPLEMENTARY FINANCIAL DISCLOSURE STATEMENTS.

#### 7400.2(a) Definitions

- (1) "Commission" shall mean the Ethics Commission for the Unified Court System.
- (2) "Employee" shall mean a state-paid judge, justice, officer or employee of the Unified Court System.
- (3) "File" shall mean to make delivery to the offices of the Commission personally, electronically or by mail. The filing date shall be the date the document filed is received in the offices of the Commission.

#### 7400.2(b) Scope

- (1) Pursuant to section 40.1(i)(3) of the Rule, the Commission shall permit an employee who is required to file a financial disclosure statement to request an additional period of time within which to file such statement. This request will be granted if the Commission finds that there is justifiable cause for the extension or that the timely filing of the statement would cause undue hardship.
- (2) Pursuant to section 40.2(a)(2)(i) of the Rule, the Commission shall allow an employee who has timely filed an application for automatic extension with the Internal Revenue Service to file a supplementary statement of financial disclosure.

#### 7400.2(c) Procedure For Requesting An Extension Of Time To File A Financial Disclosure Statement

- (1) An employee required to file a financial disclosure statement:
  - (i) on or before May 15<sup>th</sup> may request an extension of time to file his or her statement by filing a request with the Commission on or before May 15<sup>th</sup> of the year in which such extension is requested;
  - or
  - (ii) within thirty days of the date that the employee commences employment (which includes a change to a new job title that requires him or her to file) may request an extension of time to file his or her statement by filing a request with the Commission within thirty days of the date the employee commences employment.

(2) The request for the extension can be made by letter, telephone or email, and shall include:

(i)(a) if the request is made by letter, the name, home address, work address, work telephone number, and job title of the employee requesting the extension;

or

(i)(b) if the request is made by telephone or email, the name, work telephone number and job title of the employee requesting the extension;

(ii) a statement in support of the employee's claim that an extension of time to file a financial disclosure statement is necessary due to justifiable cause or undue hardship, giving specific reasons and justifications therefor. Documentation supporting this statement may be annexed to the request, if the request is made by letter or email.

(iii) the date certain by which the employee will file his or her financial disclosure statement.

(3) The request for an extension must be signed by the employee requesting the extension, if the request is made by letter.

#### **7400.2(d) Commission Action**

(1) Upon receipt of a request for extension of time to file a financial disclosure statement, the Commission shall review the material filed to determine if there has been a showing of justifiable cause or undue hardship.

(2) If the Commission determines that additional information would be useful, it may request such information from the employee requesting the extension. The Commission, in its discretion, may request a meeting with the employee to discuss the extension request.

(3) Unless the Commission decides that there is justifiable cause for an extension of time to file a financial disclosure statement, or that timely filing of such statement would cause undue hardship, the Commission shall deny the request for an extension of time to file a financial disclosure statement.

(4) The Commission shall give notice of its decision to the employee requesting an extension of time to file in the same format in which the request was received. If the extension is granted, the decision shall include the date certain on or before which the employee's financial disclosure statement must be filed.

(5) Vacation periods, and the ordinary and necessary tasks, routines, and obligations of an employee's personal and work life shall not constitute undue hardship or justifiable cause for an extension of time to file a financial disclosure statement.

(6) No extension of time to file a financial disclosure statement shall be granted:  
(i) beyond September 30<sup>th</sup> of the year in which such filing is required, if the employee is employed by the Unified Court System on January 1<sup>st</sup>, or

commences employment from January 2<sup>nd</sup> through April 15<sup>th</sup>, of the year in which such extension is requested;

or

(ii) beyond October 31<sup>st</sup> of the year in which such filing is required, if the employee commences employment with the Unified Court System from April 16<sup>th</sup> through September 30<sup>th</sup> of the year in which such extension is requested;

or

(iii) beyond December 31<sup>st</sup> of the year in which such filing is required, if the employee commences employment with the Unified Court System on or after October 1<sup>st</sup> of the year in which such extension is requested;

#### **7400.2(e) Supplementary Financial Disclosure Statements**

(1) An employee who timely filed with the Internal Revenue Service an application for automatic extension of time in which to file his or her income tax return for the immediately preceding calendar or fiscal year is required to file a financial disclosure statement:

(i) on or before May 15<sup>th</sup> of the year that filing is required, if he or she is employed by the Unified Court System on January 1<sup>st</sup>, or commences employment from January 2<sup>nd</sup> through April 15<sup>th</sup>, of that year;

or

(ii) thirty days from the date that the employee commences employment (which includes a change to a new job title that requires him or her to file) if he or she commences employment with the Unified Court System from April 16<sup>th</sup> through December 31<sup>st</sup> of the year that filing is required.

The employee may, however, indicate on the timely filed financial disclosure statement that information regarding a particular item of disclosure is lacking and will be supplied in a supplementary statement of financial disclosure to be filed on or before the seventh day after the expiration of the period of such automatic extension of time within which to file such tax return.

(2) The employee must submit a written statement with the timely filed financial disclosure statement. This written statement shall include:

(i) the name, home address, work address, work telephone number and job title of the employee;

(ii) a copy of the application filed with the Internal Revenue Service for an automatic extension of time in which to file the employee's individual income tax return for the immediately preceding calendar or fiscal year;

(iii) a description of the nature of the information which cannot be timely provided on the financial disclosure statement, including the question number(s) where the information would otherwise be reported; and

(iv) the date that the employee's automatic extension expires.

(3) Failure to file a supplementary financial disclosure statement, or the filing of an incomplete or deficient supplementary financial disclosure statement, shall be subject to the notice and penalty provisions of the Rule as if the supplementary statement were an annual statement of financial disclosure.

## SECTION 7400.3

### REQUESTING AN EXEMPTION FROM REPORTING ONE OR MORE ITEMS OF INFORMATION WHICH PERTAIN TO AN EMPLOYEE'S SPOUSE OR UNEMANCIPATED CHILDREN; STATEMENT OF MARITAL STATUS

#### 7400.3(a) Definitions

- (1) "Commission" shall mean the Ethics Commission for the Unified Court System.
- (2) "Employee" shall mean a state-paid judge, justice, officer or employee of the Unified Court System.
- (3) "File" shall mean to make delivery to the offices of the Commission personally, electronically or by mail. The filing date shall be the date the document filed is received in the offices of the Commission.
- (4) "Financial disclosure statement" shall mean the annual statement approved by the Chief Judge pursuant to subdivision 4 of section 211 of the Judiciary Law.
- (5) "Job Title" shall mean the title of the position to which an employee has been elected or appointed.
- (6) "Rule" shall mean Part 40 of the Rules of the Chief Judge of the State of New York (2 NYCRR).
- (7) "Spouse" shall mean husband or wife of the employee filing a financial disclosure statement unless the husband or wife has been living separate and apart from such employee during the entire reporting year:
  - (i) pursuant to a judicial order, decree or judgment or a legally binding separation agreement; or
  - (ii) with the intention of terminating the marriage or remaining permanently separated.
- (8) "Unemancipated child" shall mean any son, daughter, stepson or stepdaughter of the employee filing a financial disclosure statement who is under the age of eighteen (18) and unmarried.

#### 7400.3(b) Scope

Pursuant to section 40.1(i)(7) of the Rule, the Commission shall permit an employee who is required to file a financial disclosure statement to request an exemption from the requirement to report one or more items of information which pertain to the employee's spouse or unemancipated children. This request will be granted by the Commission upon a finding by a majority of the total number of its members without vacancy that the employee's spouse, on his or her own behalf or on behalf of an unemancipated child, or the employee on behalf of an unemancipated child, objects to providing the information necessary to make such disclosure, and that the information

that would otherwise be required to be reported will have no material bearing on the discharge of the employee's official duties.

### **7400.3(c) Procedure**

(1) An employee may request an exemption from any requirement to report one or more items of information that pertain to his or her spouse or unemancipated children by filing a written request with the Commission on or before:

(i) April 1st of the year in which such exemption is requested, if he or she is employed by the Unified Court System on January 1<sup>st</sup>, or commences employment from January 2<sup>nd</sup> through April 15<sup>th</sup>, of that year;

or

(ii) Fifteen days from the date that the employee commences employment (which includes a change to a new job title that requires him or her to file) if he or she commences employment with the Unified Court System from April 16<sup>th</sup> through December 31<sup>st</sup> of the year in which the exemption is requested.

(2) The request for the exemption shall include:

(i) the name, home address, work address, work telephone number, and job title of the employee requesting the exemption;

(ii) the specific information the spouse or employee objects to reporting on the employee's financial disclosure statement;

(iii) a statement that the employee or his or her spouse objects to reporting the information on the financial disclosure statement, giving specific reasons and justifications therefor;

(iv) a statement in support of the employee's claim that the information that would otherwise be required to be reported on the financial disclosure statement will have no material bearing on the discharge of the employee's official duties, giving specific reasons and justifications therefor;

(v) documentation supporting the aforesaid statements may be annexed to the request.

(3) The request for exemption must be signed by the employee requesting the exemption.

### **7400.3(d) Commission Action**

(1) Upon receipt of a request for an exemption from the requirement to report one or more items of information which pertain to an employee's spouse or unemancipated children, the Commission shall review the material filed to determine whether an objection has been made by the appropriate person to the reporting of the information, and whether the information for which an exemption is requested will have a material bearing on the discharge of the employee's official duties.

(2) If the Commission determines that additional information would be useful, it may request such information from the employee requesting the exemption. Such additional information must be filed with the Commission within the time limit set forth in the Commission's written request. If the Commission has not received such information within the said time limit, it may render its decision on the information available. The Commission, in its discretion, may request a meeting with the employee, or his or her spouse, to discuss the exemption request.

(3) Unless the Commission decides by a majority of the total members of the Commission without vacancy that the employee or his or her spouse objects to providing the information necessary to make disclosure, and that the information that would otherwise be required to be reported will have no material bearing on the discharge of the employee's official duties, the Commission shall deny the request for exemption.

In applying the material bearing standard to decide exemption requests, the Commission weighs competing public and private interests including the following:

- (i) Whether the information is of a personal or particularly intimate nature;
- (ii) Whether the disclosure of the information could pose a safety threat to the employee or his or her family, and the nature of that threat, including its seriousness and imminence;
- (iii) Whether the information may relate in a substantial and important way to the employee's official duties;
- (iv) Whether the information could reveal or relate to an actual or potential conflict of interest;
- (v) The employee's role in the judicial, administrative or managerial process of the Unified Court System;
- (vi) Whether the standard is being applied in the case of a spousal/child exemption request or a deletion request. The employee's burden is far greater when seeking an exemption request. The granting of an exemption request means that the relevant information will not be reported at all on the financial disclosure statement, while the granting of a deletion request means that the information will be reported on the financial disclosure statement, but deleted from the copy made available to the public;
- (vii) Such other factors as may be relevant.

If an employee requests a spousal exemption on the grounds that he or she has no knowledge of his or her spouse's assets or income, and that his or her spouse refuses to supply this information to him or her, the employee must so state specifically in the form of an affidavit. The employee must, at a minimum, convince the Commission that his or her spouse refuses to provide the information, that he or she has no other source regarding this information, and that he or she has made a bona fide attempt to obtain,

and cannot obtain, the information. Other potentially relevant, but not necessarily controlling, matters include the circumstances of, and reasons for, a spouse's refusal to provide the employee with the relevant information, the duration and consistency over time of his or her spouse's refusal to disclose such information to the employee, and whether the employee and his or her spouse file or have filed joint federal, state or local tax returns. If the employee and his or her spouse have filed a joint tax return, the employee must at a minimum report such information as is available from that return.

Judiciary Law §211(4) and 22 NYCRR Part 40 establish a strong public policy favoring disclosure. Thus employees otherwise required to file, who have requested exemptions, must demonstrate that an individual exception to this policy is warranted.

(4) The Commission shall give written notice of its decision to the employee requesting the exemption.

**7400.3(e) Statement of Marital Status**

If the husband or wife of the employee filing a financial disclosure statement is not a spouse as hereinbefore defined, the employee shall file with his or her financial disclosure statement a statement signed by the employee indicating that he or she has been living separate and apart from his or her husband or wife for the entire reporting year pursuant to a judicial order, decree, judgment or legally binding separation agreement, or with the intention of terminating the marriage or remaining permanently separated. This statement shall set forth the date of the separation and the current address of the employee's husband or wife.

## SECTION 7400.4

### DELETION OF ONE OR MORE ITEMS OF INFORMATION FROM THE COPY OF THE FINANCIAL DISCLOSURE STATEMENT MADE AVAILABLE TO THE PUBLIC.

#### **7400.4(a) Definitions**

- (1) "Commission" shall mean the Ethics Commission for the Unified Court System.
- (2) "Employee" shall mean a state-paid judge, justice, officer or employee of the Unified Court System.
- (3) "File" shall mean to make delivery to the offices of the Commission personally, electronically or by mail. The filing date shall be the date the document filed is received in the offices of the Commission.
- (4) "Financial disclosure statement" shall mean the annual statement approved by the Chief Judge pursuant to subdivision 4 of section 211 of the Judiciary Law.
- (5) "Job title" shall mean the title of the position to which an employee has been elected or appointed.
- (6) "Rule" shall mean Part 40 of the Rules of the Chief Judge of the State of New York (22 NYCRR).

#### **7400.4(b) Scope**

Pursuant to section 40.1(i)(6) of the Rule, the Commission shall permit an employee who is required to file a financial disclosure statement to request that the Commission delete from the copy of the financial disclosure statement made available for public inspection one or more items of information. This request will be granted by the Commission upon a finding by a majority of the total number of its members without vacancy that the information that would otherwise be required to be made available for public inspection will have no material bearing on the discharge of the employee's official duties.

#### **7400.4(c) Procedure**

- (1) An employee may request deletion of one or more items of information from the copy of the financial disclosure statement made available to the public by filing a written, or electronic, request with the Commission on or before:
  - (i) May 15th of the year in which the deletion is requested, if he or she is employed by the Unified Court System on January 1<sup>st</sup>, or commences employment from January 2<sup>nd</sup> through April 15<sup>th</sup>, of that year;  
or
  - (ii) Thirty days from the date that the employee commences employment (which includes a change to a new job title that requires him or her to file) if he or she commences employment with the Unified Court System from April 16<sup>th</sup> through December 31<sup>st</sup> of the year in which the deletion is requested.

(2) The request for the deletion shall include:

(i) the name, home address, work address, work telephone number, and job title of the employee requesting the deletion;

(ii) the information which the employee seeks to have deleted;

(iii) a statement in support of the employee's claim that the information that would otherwise be made available for public inspection will have no material bearing on the discharge of the employee's official duties, giving specific reasons and justifications therefor. Documentation supporting this statement may be annexed to a written request. If a request requires documentation, it can not be filed electronically.

(3) A written request for deletion must be signed by the employee requesting the deletion. All requests, written or electronic, must be filed with a complete financial disclosure statement containing the information sought to be deleted.

#### **7400.4(d) Commission Action**

(1) Upon receipt of a request for deletion of one or more items of information from the copy of the financial disclosure statement made available to the public, the Commission shall review the material filed to determine if the information will have a material bearing on the discharge of the employee's official duties.

(2) If the Commission determines that additional information would be useful, it may request such information from the employee requesting the deletion. The Commission, in its discretion, may request a meeting with the employee to discuss the deletion request.

(3) Unless the Commission decides by a majority of the total members of the Commission without vacancy that the information that would otherwise be required to be made available for public inspection will have no material bearing on the discharge of the employee's official duties, the Commission shall deny the request for deletion.

In applying the material bearing standard to decide deletion requests, the Commission weighs competing public and private interests including the following:

(i) Whether the information is of a personal or particularly intimate nature;

(ii) Whether the disclosure of the information could pose a safety threat to the employee or his or her family, and the nature of that threat, including its seriousness and imminence;

(iii) Whether the information may relate in a substantial and important way to the employee's official duties;

(iv) Whether the information could reveal or relate to an actual or potential conflict of interest;

(v)The employee's role in the judicial, administrative or managerial process of the Unified Court System;

(vi)Whether the standard is being applied in the case of a spousal/child exemption request or a deletion request. The employee's burden is far greater when seeking an exemption request. The granting of an exemption request means that the relevant information will not be reported at all on the financial disclosure statement, while the granting of a deletion request means that the information will be reported on the financial disclosure statement, but deleted from the copy made available to the public;

(vii)Such other factors as may be relevant.

Judiciary Law §211(4) and 22 NYCRR Part 40 establish a strong public policy favoring disclosure. Thus employees otherwise required to file, who have requested deletions, must demonstrate that an individual exception to this policy is warranted.

(4) The Commission shall give written notice of its decision to the employee requesting the deletion.

- (2) "Executive Director" shall mean the executive director of the Ethics Commission for the Unified Court System as appointed pursuant to section 40.1 (i)(1) of the Chief Judge's Rule.
- (3) "Employee" shall mean a state-paid judge, justice, officer or employee of the Unified Court System.

- (6) "Rule" shall mean Part 40 of the Rules of the Chief Judge of the State of New York (22 NYCRR).

#### **7400.6(b) Scope**

Pursuant to section 40.1(o)(2) of the Rule, the Commission is authorized to conduct any investigation necessary to carry out its responsibilities under the provisions of section 40.1. In the course of an investigation, the Commission is authorized to administer oaths or affirmations, subpoena witnesses, compel their attendance and require the production of any books or records or other materials which it may deem relevant or material.

#### **7400.6(c) Procedure**

(1) The subjects of a Commission investigation may include but are not limited to the timeliness or accuracy of an employee's filing of a financial disclosure statement, an employee's request for an extension of time to file, an employee's request for an exemption from the requirement to file, an employee's request for an exemption from reporting information pertaining to his or her spouse or child, or an employee's request for deletion of certain information from the copy of his or her statement made available to the public, or such other matters as arise in connection with the discharge of the Commission's duties.

(2) The Commission may contact the employee who did file, or should have filed, the financial disclosure statement that is the subject of the investigation, another employee, or any other person, to obtain information relevant to the investigation. This contact may be by telephone or by letter.

(3) If the employee or other person fails or refuses to respond to the telephone call or letter, or if the Commission has reasonable cause to believe that it is necessary or appropriate, the Commission may require the appearance of the employee or other person before the Commission, or, if so authorized by the Commission, one or more of its members, in which event the employee or other person shall be notified in writing of his or her required appearance either personally, at least ten days prior to such appearance, or by certified mail, to be deposited in the U.S. mail at least ten days prior to such appearance. Such written notice shall set forth the time and place of the appearance, the nature of the information the Commission is seeking, and the books, records or other materials that the employee or other person must present to the Commission.

(4) If the employee or other person fails to appear or secure an adjournment in response to such written notice, or fails to produce the sought after books, records or other materials, the Commission may compel his or her appearance and/or the production of the required books, records or other materials with a subpoena and/or subpoena duces tecum issued pursuant to CPLR §2303.

(5) The employee or other person may request, in writing, an adjournment of his or her appearance. An adjournment will be granted for good cause only. If the request is granted, the Commission will notify the employee or other person in writing of the new date.

#### **7400.6(d) Appearance Before the Commission**

(1) An employee or other person appearing before the Commission shall answer questions and produce the books, records or other materials sought by the Commission. He or she shall have the right to be represented by an attorney and to make an oral statement and to present relevant data and material, including a written statement. The attorney shall be permitted to advise the employee or other person and otherwise confer with her or him.

(2) At the commencement of the appearance, the Chair of the Commission, or his or her designee, may swear in the employee or other person by administering an oath or affirmation.

(3) The appearance may be recorded in any way permitted by the CPLR. If the appearance is recorded, a transcript shall be provided to the employee or other person without fee upon his or her written request.

**7400.6(e) Commission Action**

If the Commission finds that further action is necessary or appropriate, it may give written notification to the Chief Administrator of the Courts, the Commission on Judicial Conduct, or any other appropriate agency or authority of the results of its investigation and request that further action be taken. The Commission shall give written notification to the employee who was the subject of the investigation that it has determined that further action is necessary and that the matter has been referred to the Chief Administrator of the Courts, the Commission on Judicial Conduct, or other appropriate agency or authority.

**SECTION 7400.7**  
**FILING REQUIREMENTS FOR CERTAIN JUDICIAL CANDIDATES**

**7400.7(a) Definitions**

(1) "Candidate" shall mean a candidate for public election to judicial office, who is required to file an annual statement of financial disclosure pursuant to 22 NYCRR Part 100. "Candidate" shall not mean a candidate for judicial office in the town and village courts.

(2)"Commission" shall mean the Ethics Commission for the Unified Court System.

(3)"File" shall mean to make delivery to the offices of the Commission personally or by mail. The filing date shall be the date the document filed is received in the offices of the Commission.

(4)"Financial disclosure statement" shall mean the annual statement of financial disclosure approved by the Chief Judge pursuant to subdivision 4 of section 211 of the Judiciary Law.

**7400.7(b) Scope**

(1)Pursuant to 22 NYCRR Section 100.5(A)(4)(g), a judge or a non-judge who is a candidate for public election to judicial office shall file a financial disclosure statement with the Commission within twenty days following the date on which he or she becomes a candidate. However, a judge or non-judge who is an officer or employee of the Unified Court System required to file an annual statement of financial disclosure pursuant to 22 NYCRR Part 40 is not required to file pursuant to 22 NYCRR Part 100.

(2)The Commission shall permit a candidate to request an additional period of time within which to file. This request will be granted if the Commission finds that there is justifiable cause for the extension or that the timely filing of the statement would cause undue hardship.

(3)The Commission shall permit a candidate to request that the Commission delete one or more items of information from the copy of his or her financial disclosure statement made available for public inspection. This request will be granted by the Commission upon a finding by a majority of the total number of its members without vacancy that the information that would otherwise be required to be made available for public inspection will have no material bearing on the discharge of the candidate's official duties should he or she be elected.

(4)The Commission shall make available for public inspection the information set forth in financial disclosure statements required to be filed for the seven reporting years prior to and including the current year, except that categories of value or amount and the names of unemancipated children, and any other item of information deleted from public inspection by the Commission pursuant to 22 NYCRR Section 40.1(1)(6) shall remain confidential and not available for public inspection.

**7400.7(c) Procedure Regarding Filing Extension**

(1) A candidate may request an extension of time to file a financial disclosure statement more than twenty days after he or she becomes a candidate by filing a written request with the Commission on or before the 20<sup>th</sup> day after he or she becomes a candidate.

(2) The request for the extension shall include:

(i) the name, home address, work address, work telephone number, and job title of the candidate requesting the extension;

(ii) a statement in support of the candidate's claim that an extension of time to file a financial disclosure statement is necessary due to justifiable cause or undue hardship, giving specific reasons and justifications therefor. Documentation supporting this statement may be annexed to the request;

(iii) the date certain by which the candidate will file his or her financial disclosure statement.

(3) The request for an extension must be signed by the candidate requesting the extension.

**7400.7(d) Commission Action Regarding Extension Requests**

(1) Upon receipt of a request for extension of time to file a financial disclosure statement, the Commission shall review the material filed to determine if there has been a showing of justifiable cause or undue hardship.

(2) If the Commission determines that additional information would be useful, it may request such information from the candidate requesting the extension. The Commission, in its discretion, may request a meeting with the candidate to discuss the extension request.

(3) Unless the Commission decides that there is justifiable cause for an extension of time to file a financial disclosure statement, or that timely filing of such statement would cause undue hardship, the Commission shall deny the request for an extension of time to file a financial disclosure statement.

(4) The Commission shall give written notice of its decision to the candidate requesting an extension of time to file. If the extension is granted, the decision shall include the date certain on or before which the candidate's financial disclosure statement must be filed. In the event the Commission determines that such written notice of its decision would not reach the candidate requesting the extension before the 20<sup>th</sup> day after he or she becomes a candidate, the Commission shall notify the candidate of its decision by telephone, to be followed by written notice of decision.

(5) Vacation periods, and the ordinary and necessary tasks, routines, and obligations of a candidate's personal and work life shall not constitute undue hardship or justifiable cause for an extension of time to file a financial disclosure

statement.

(6) No extension of time to file a financial disclosure statement shall be granted to a candidate beyond thirty-five days after he or she becomes a candidate.

**7400.7(e) Procedure Regarding Deletion Requests**

(1) A candidate may request deletion of one or more items of information from the copy of the financial disclosure statement made available to the public by filing a written request with the Commission together with his or her financial disclosure statement.

(2) The request for the deletion shall include:

(i) the name, home address, work address, and work telephone number of the candidate requesting the deletion;

(ii) the information which the candidate seeks to have deleted;

(iii) a statement in support of the candidate's claim that the information that would otherwise be made available for public inspection will have no material bearing on the discharge of the candidate's official duties, if he or she is elected, giving specific reasons and justifications therefor. Documentation supporting this statement may be annexed to the request.

(3) The request for deletion must be signed by the candidate requesting the deletion, and must be filed with a complete financial disclosure statement containing the information sought to be deleted.

**7400.7(f) Commission Action Regarding Deletion Requests**

(1) Upon receipt of a request for deletion of one or more items of information from the copy of the financial disclosure statement made available to the public, the Commission shall review the material filed to determine if the information will have a material bearing on the discharge of the candidate's official duties, if he or she is elected.

(2) If the Commission determines that additional information would be useful, it may request such information from the candidate requesting the deletion. The Commission, in its discretion, may request a meeting with the candidate to discuss the deletion request.

(3) Unless the Commission decides by a majority of the total members of the Commission without vacancy that the information that would otherwise be required to be made available for public inspection will have no material bearing on the discharge of the candidate's official duties, if he or she is elected, the Commission shall deny the request for deletion.

In applying the material bearing standard to decide deletion requests, the Commission weighs competing public and private interests including the following:

(i) Whether the information is of a personal of particularly intimate nature;

(ii) Whether the disclosure of the information could pose a safety threat to the candidate or his or her family, and the nature of that threat, including its seriousness and imminence;

(iii) Whether the information may relate in a substantial and important way to the candidate's official duties, if he or she is elected;

(iv) Whether the information could reveal or relate to an actual or potential conflict of interest;

(v) Such other factors as may be relevant.

Judiciary Law §211(4) and 22 NYCRR Part 40 establish a strong public policy favoring disclosure. Thus candidate otherwise required to file, who have requested deletions, must demonstrate that an individual exception to this policy is warranted.

(4) The Commission shall give written notice of its decision to the candidate requesting the deletion, by overnight mail. The Commission shall also advise the candidate of its decision by telephone.

#### **7400.7(g) Public Inspection of Statements**

(1) Financial disclosure statements shall be available for public inspection, by appointment, at the Commission office at 25 Beaver Street, New York, New York, every day the office is open for business during the hours 10:00 A.M. through 12:00 P.M. and 2:00 P.M. through 4:00 P.M. Statements may be made available for public inspection at other times at the discretion of the Statement Inspection Officer.

(2) A person may obtain a copy of a financial disclosure statement in person, or by mail, upon the payment of copying fees. The copying fee is \$.25 per statement page for each statement copy obtained in person from the Commission office and an additional mailing fee of \$1.00 for each statement copy mailed from the office. The fees will be waived for all federal, state or local government agencies and departments.

(3) The financial disclosure statement of a candidate who has filed a deletion request shall not be available for public inspection pending a decision on the request.

The fact that a deletion request has been made will be kept confidential; the record and substance of the request will also be confidential and not available for public inspection.

(4) If the Commission has denied a deletion request, the financial disclosure statement of the candidate who made the request shall not be available for public inspection for three days from the date on which notice of the denial is mailed to the candidate by the Commission.

(5) No documents pertaining to a request for public inspection shall be available for public inspection. The identities of public inspectors, and the fact that a statement has been inspected, are confidential and will not be made available to the public or to filers.

(6) Pursuant to section 40.1 of the Chief Judge's Rule, the Commission shall make available for public inspection the information set forth in statements of financial disclosure required to be filed for the seven reporting years prior to and including the current year, except that categories of value or amount and the names of unemancipated children, and any other item of information deleted from public inspection by the Commission pursuant to section 40.1(l)(6) of the Rule, shall remain confidential and not available for public inspection.

**7400.7(h) Failure to File**

(1) If a candidate fails to timely file a financial disclosure statement before being elected to the bench, the failure to timely file as a candidate cannot be cured or remedied retroactively.
